

U34454

## FEATURES

- Stainless Steel 18/10
- Polished
- 3 ½ " valve hole
- Round overflow
- Bowl dimensions: 450x400x200 mm
- External dimensions: 490x440 mm
- Base units: 60 cms
- Thickness: 1,0mm
- Packaging: Individual box

- Accesories included:
  - 3 ½" Basket Waste
  - Installation clips

Cutting suggestion**Precautions to be taken into account for its conservation:**

• Cleaning products indicated for the Stainless Steel are: the soap, detergents soft and / or neutral. Apply with a soft cloth or a sponge of fine nylon, rinse with abundant water and dry with soft cloth.

*Never use abrasive acids because they deteriorate the surface of the sink.*

- Do not use wipes metal, straw-of-steel to clear the surface of the sinks;
- Glues, paints and cement, in contact with the sinks, will cause the corrosion of steel.

**ATTENTION: beware of sharp metal edges before and during the installation!**

• EN13310:2015

**INAREL assigns a 15-year warranty to all stainless steel solutions, when good basic cleaning and maintenance practices are adopted.**
